What a Friend We Have In Jesus

What a Friend we have in Jesus,
All our sins and griefs to bear!
What a privilege to carry
Everything to God in prayer!
O what peace we often forfeit,
O what needless pain we bear,
All because we do not carry
Everything to God in prayer!

Have we trials and temptations?
Is there trouble anywhere?
We should never be discouraged,
Take it to the Lord in prayer.
Can we find a friend so faithful
Who will all our sorrows share?
Jesus knows our every weakness,
Take it to the Lord in prayer.

Are we weak and heavy-laden,
Cumbered with a load of care?
Precious Savior, still our refuge—
Take it to the Lord in prayer;
Do thy friends despise, forsake thee?
Take it to the Lord in prayer;
In His arms He'll take and shield thee,
Thou wilt find a solace there.

It is Well With My Soul

When peace like a river attendeth my way
When sorrows like sea billows roll
Whatever my lot, Thou hast taught me to say
It is well, it is well with my soul

It is well (it is well)
With my soul (with my soul)
It is well, it is well with my soul

Though Satan should buffet, though trials should come
Let this blest assurance control
That Christ has regarded my helpless estate
And has shed His own blood for my soul

It is well (it is well)
With my soul (with my soul)
It is well, it is well with my soul

He lives, oh the bliss of this glorious thought
My sin, not in part, but the whole
Is nailed to the cross, and I bear it no more
Praise the Lord, praise the Lord, O my soul

It is well (it is well)
With my soul (with my soul)
It is well, it is well with my soul

Lord, hasten the day when our faith shall be sight
The clouds be rolled back as a scroll
The trumpet shall sound, and the Lord shall descend
Even so, it is well with my soul

It is well (it is well)
With my soul (with my soul)
It is well, it is well with my soul

Victory in Jesus

I heard an old, old story how a Savior came from glory,
How He gave His life on Calvary to save a wretch like me;
I heard about His groaning, of His precious blood's atoning,
Then I repented of my sins and won the victory,

O victory in Jesus, my Savior, forever!
He sought me and bought me with His redeeming blood;
He loved me ere I knew Him, and all my love is due Him.
He plunged me to victory beneath the cleansing flood

I heard about His healing, of His cleansing pow'r revealing
How he made the lame to walk again and caused the blind to see;
And then I cried, "Dear Jesus, come and heal my broken spirit,"
And some-how Jesus came and brought to me the victory.

O victory in Jesus, my Savior, forever!
He sought me and bought me with His redeeming blood;
He loved me ere I knew Him, and all my love is due Him.
He plunged me to victory beneath the cleansing flood

I heard about a mansion he has built for me in glory,
And I heard about the streets of gold beyond the crystal sea;
About the angels singing and the old redemption story,
And some sweet day I'll sing up there the song of victory.

O victory in Jesus, my Savior, forever!
He sought me and bought me with His redeeming blood;
He loved me ere I knew Him, and all my love is due Him.
He plunged me to victory beneath the cleansing flood

CHILD OF LOVE

I was walking the wayside, lost on a lonely road. I was chasing the high life trying to satisfy my soul.

All the lies I believed in left me crying like the rain.

Then I saw lightning from heaven, and I've never been the same.

CHORUS – I'm gonna climb a mountain, I'm gonna shout about it. I am a child of love.

I found a world of freedom, I found a friend in Jesus. I am a child of love.

I've felt the sting of the fire, but I saw You in the flames.

Just when I thought it was over, You broke me out of the grave. (CHORUS)

Yeah (yeah) Oh (oh) I am a child of love. Yeah (yeah) Oh (oh) I am child of love.

Nothing can change the way You love me, nothing can change the way.

I belong to You, yes I do, nothing can separate. (Repeat)

I'm gonna climb a mountain. I am a child of love. I found a world of freedom. I am a child of love. (CHORUS)

Yeah (yeah) Oh (oh) I am a child of love. Yeah (yeah) Oh (oh) I am child of love.

AIN'T NO GRAVE/ALIVE FOREVER AMEN

Oh shame is a prison as cruel as a grave. Shame is a robber and he's come to take my name.
Love is my redeemer lifting me up from the ground. Love is the power where my freedom song
is found.

CHORUS – There ain't no grave gonna hold my body down. There ain't no grave gonna hold my
body down.

When I hear that trumpet sound, I'm gonna rise up out of the ground.
There ain't no grave gonna hold my body. Oh.....Oh...

Oh fear is a liar with a smooth and velvet tongue. Fear is a tyrant, he's always tellin' me to run.
Oh love is a resurrection and Love is trumpet sound. Love is my weapon, I'm gonna take my
giants down. (CHORUS)

Oh there was a battle, a war between death and life. And there on a tree the Lamb of God was
crucified.

And He went on down to hell, He took back every key. He rose up as a Lion and He set all
captives free.

He's alive, alive, alive, hallelujah! Alive, praise and glory to the Lamb!
Alive, alive, alive, hallelujah! Alive forever, Amen! (Repeat)

Worthy is the Lamb, worthy of our praise. Worthy is the One who has overcome the grave.
Let the people dance, let the people sing. Worthy is the mighty King! (4 times total)

If You walked out of the grave, I'm walkin' too. If You walked out of the grave, I'm awalkin' too.
(Repeat)

(CHORUS)

There ain't no grave gonna hold my body down.

I SPEAK JESUS

I just want to speak the name of Jesus over every heart and every mind.
'Cause I know there is peace within your presence. I speak Jesus.
I just want to speak the name of Jesus til every dark addiction starts to break.
Declaring there is hope and there is freedom. I speak Jesus.

CHORUS – Your Name is power, your Name is healing, your Name is life.
Break every stronghold, shine through the shadows, burn like a fire.

I just want to speak the name of Jesus over fear and all anxiety.
To every soul held captive by depression. I speak Jesus. (CHORUS 2x)

BRIDGE – Shout Jesus from the mountains, Jesus in the streets, Jesus in the darkness, over
every enemy.
Jesus for my family, I speak the holy Name, Jesus. (2x) (CHORUS 2x)

TAG - I just want to speak the name of Jesus over every heart and every mind.
'Cause I know there is peace within your presence. I speak Jesus. (BRIDGE 3x)

This Little Light Of Mine by Addison Road
There's a little flame inside us all

Some shine bright, some shine small
The rains will come and the waters rise
But don't you ever lose your light
In this life you will know
Love and pain, joy and sorrow
So when it hurts, when times get hard
Don't forget whose child you are

This little light of mine
I'm gonna let it shine
This little light of mine
I'm gonna let it shine, gonna let it shine

May you live each day with no regret
Make the most of every chance you get
Let your eyes get wide when you look at the stars
With the same sense of wonder as a child's heart
With the ones you love treasure the time
And for those who are gone keep their memories alive
Hold on to your dreams don't ever let go
There's a fire inside you burning with hope

This little light of mine
I'm gonna let it shine
This little light of mine
I'm gonna let it shine, gonna let it shine

There will be days when you want to give up
When the clouds settle in
But after the rain comes the sun
Don't you ever forget

One day there will be no more pain
And we will finally see Jesus' face
So until then I'm gonna to try
To brave the dark and let my little light shine

This little light of mine
I'm gonna let it shine
This little light of mine
I'm gonna let it shine, gonna let it shine

There's a little light inside us all

Hallelujah Even Here by Lydia Laird

Right now I feel a little overwhelmed
Right now I could really use some help
Right now I don't feel like it is well with my soul
I've tried to find a way around the mess
I've prayed in faith that the night would end
Right here when I just can't understand
I'll lift my hands

Hallelujah, when the storm is relentless
Hallelujah, when the battle is endless
In the middle of the in between
In the middle of the questioning
Over every worry, every fear
Hallelujah, even here
Hallelujah, even here

Somehow I bow and my heart gets free
Too far, too hard becomes so easy
I find peace here in surrendering
In letting go

Hallelujah, when the storm is relentless
Hallelujah, when the battle is endless
In the middle of the in between
In the middle of the questioning
Over every worry, every fear
Hallelujah, even here
Hallelujah, even here, yeah, yeah

Sometimes nothing left to give
Ooh, becomes the sweetest offering
And sometimes choosing just to sing
Is the thing that changes everything

Hallelujah, when the storm is relentless
Hallelujah, when the battle is endless
In the middle of the in between
In the middle of the questioning
Over every worry, every fear
Hallelujah, even here
Hallelujah, even here

Hallelujah, even here

Truth I'm Standing On by Leanna Crawford

Scared, oh I thought I knew scared
Now I'm so filled with fear
I can barely move

Doubts, I've had my share of doubts
But never more than right now
I'm wondering where are You

Here on the edge of fall apart
Somehow Your promises
Find my troubled heart

This is the truth I'm standing on
Even when all my strength is gone
You are faithful forever
And I know You'll never
Let me fall

Right now, I'm choosing to believe
Someday soon, I'll look back and see
All the pain had a purpose
Your plan was perfect all along
This is the truth I'm standing on

Good, I believe You're still good
Even when life's not good
I will not lose this hope

That the God who parts the sea
Promises He's gonna
Make a way for me

Oh, this is the truth I'm standing on
Even when all my strength is gone
You are faithful forever
And I know You'll never
Let me fall

Right now, I'm choosing to believe
Someday soon, I'll look back and see
All the pain had a purpose
Your plan was perfect all along
This is the truth I'm standing on

My rock my shield my firm foundation
I know I will not be shaken
You remind me
Where my help comes from

This is the truth I'm standing on
Even when all my strength is gone

You are faithful forever
And I know You'll never
Let me fall

Right now, I'm choosing to believe
Someday soon, I'll look back and see
All the pain had a purpose
Your plan was perfect all along
This is the truth I'm standing on

Labor in the Lord

The sun is shining brightly, as the working day is done
we're all sittin'round talkin', thanking God that we are one.
The spirits are lifting lightly as the praise has just begun
as we praise the Holy Spirit, the Father, and the son.

chorus

Labor in the Lord when the workin' day is done
Raise our hearts and hands in praise as we worship in His Son
Glory in the Highest, He is the one
Labor in the Lord when the workin' day is done

The stats are in directly and it's all across the board
The returns are showing nicely as we labor in the Lord
Sing a song or send a smile or event strike a chord
Praise God Almighty as we labor in the Lord

chorus

The sun is shining brightly as we labor in the Lord
Spirits lifting lightly, looking forward in reward
The train is just about to leave you better get on board
Praise God Almighty! As we labor in the Lord

Chorus

Lyrics and music by Lyle Livingston

In Jesus Name (God Of Possible)

I speak the name of Jesus over you
In your hurting in your sorrow
I will ask my God to move
I speak the name 'cause it's all that I can do
In desperation I'll seek heaven
And pray this for you

I pray for your healing
That circumstances would change
I pray that the fear inside would flee
In Jesus name
I pray that a breakthrough would happen
today
I pray miracles over your life in Jesus name
In Jesus name

I speak the name of all authority
Declaring blessings every promise
He is faithful to keep
I speak the name no grave could ever hold
He is greater He is stronger
He's the God of possible

I pray for your healing
That circumstances would change
I pray that the fear inside would flee
In Jesus name
I pray that a breakthrough would happen
today
I pray miracles over your life in Jesus name
In Jesus name

Oh come believe it come receive it
Oh the power of His Spirit is now forever
yours
Come believe it come receive it
In the mighty name of Jesus all things are
possible

I pray for your healing
That circumstances would change
I pray that the fear inside would flee

In Jesus name

I pray that a breakthrough would happen
today
I pray miracles over your life in Jesus name
In Jesus name

I pray for revival
For restoration of faith
I pray that the dead will come alive
In Jesus name
In Jesus name

Rattle!

Saturday was silent
Surely it was through
But since when has impossible
Ever stopped You

Friday's disappointment
Is Sunday's empty tomb
Since when has impossible
Ever stopped You

This is the sound of dry bones rattling
This is the praise make a dead man walk
again
Open the grave I'm coming out
I'm gonna live gonna live again
This is the sound of dry bones rattling

Pentecostal fire
Stirring something new
You're not gonna run out of miracles
Anytime soon

Resurrection power
Runs in my veins too
I believe there's another miracle
Here in this room

This is the sound of dry bones rattling
This is the praise make a dead man walk
again
Open the grave I'm coming out
I'm gonna live gonna live again
This is the sound of dry bones rattling

Dry bones rattle!

My God is able to save and deliver and heal
And restore anything that He wants to
Just ask the man who was thrown
On the bones of Elisha
If there's anything that He can't do
Just ask the stone that was rolled

At the tomb in the garden
What happens when God says to move
I feel him moving it now
I feel him doing it now
I feel him doing it now
Do it now, do it now

This is the sound of dry bones rattling
This is the praise make a dead man walk
again
Open the grave I'm coming out
I'm gonna live gonna live again
Open the grave I'm coming out
I'm gonna live gonna live again
Open the grave I'm coming out
I'm gonna live gonna live again
This is the sound of dry bones rattling
